Dengue Fever Warnings

Dear Members

There have been mosquito and Dengue fever warnings issued around Hong Kong. Owing to this, we will be moving a small number of dinghies from around the dinghy park and marina area, as they are currently holding stagnant water. We will store them upside down in a corner of the hardstanding.

Please see by-law section 2, rule 15, headed MOSQUITOES as reference.

15. MOSQUITOES

15.1 Hong Kong Government Ordinances makes it an offense to permit standing water that encourages the breeding of mosquitoes. The Club does not accept responsibility for any action against a Member under such legislation and Members are to ensure that craft and covers are kept free of stagnant rainwater. Members who fail to do so will be charged a pump out fee depending on the size of the craft and there may be disciplinary action by the General Committee.

We kindly ask other boat owners to ensure their boats are not holding stagnant water.

Should your boat happen to be taken, please do not hesitate to contact the Marine Office.

登革熱警告

致各會員:

蚊患和登革熱警告最近於香港發出。有見及此，本會將從小艇停泊區，以及浮橋停泊區周圍移走部份小艇。由於有些小艇存有積水，我們會將這些小艇倒轉放置於岸上。

請參考本會附例第二節第 15 條，標題: 蚊蟲。

15 蚊蟲

15.1 香港政府法例規定，任由積水滋生蚊蟲是違例的。會員如有違反以上條例，本會絕不承擔任何責任。會員應確保其船隻及船套沒有積水。如會員未能遵守以上要求，須繳付本會為其船隻抽乾積水的服務費用，收費視乎船隻大小而定，執行委員會亦會對該會員進行紀律處分。

我們懇請會員注意你的船隻有否積水問題。如有會員發現您的船隻被移走，請盡快與海事部聯絡。敬希垂注。
