

Notice to all Competitors of the Typhoon Series

In loving memory of Peter McCaffrey the Hebe Haven Yacht Club will conduct a one minute silence in the vicinity of the start line of the Mirs Bay Race, on Saturday morning, at 10:45am.

The beginning of the one minutes silence will be signalled by the firing of a Gun and the hoisting of the Hebe Haven Battle Flag on board the Frazer Doig.

A further Gun will sound at the end on one minute.

The battle flag will remain flying at half-mast for the duration of the race.

Competitors who wish to participate should ensure they are in the starting area at this time.

Competitors who wish to show their respect are encouraged to fly a white streamer from their shroud

The white streamers will be available at both the HHYC & RHKYC Shelter Cove main bars.

Thank you.

On Behalf of the Hebe Haven Yacht Club Sailing Community.
