## The Course

The sailing instructions give the course to be followed. The course consists of 6 coordinates where a buoy is placed. On each buoy is a letter of the alphabet (English) and when the boat has collected all the letters they can organise them to make a festive word.

## The Quiz

The quiz is a set of questions linked to nautical topics and seasonal. The marking is completed at the restaurant by the committee and points are awarded. Boat crews are asked to create something from articles they have on board, e.g. an angel, shepherd or reindeer. This is submitted for judging at the restaurant. Sometimes **crews are asked to create a seasonal song to be performed at the lunch.**

Prizes are awarded at the restaurant for first through third. The event is open to all Sailing Vessels, Motorboats and Jetskis
