感言

ICHK Hong Lok Yuen Primary School thoroughly enjoys going to Hebe Haven for sailing due to the multitude of enriching experiences it offers. Sailing at Hebe Haven allows the students to develop a deep appreciation for the beauty of nature as they navigate the sparkling waters and feel the refreshing breeze on their faces. The hands-on nature of sailing fosters teamwork, communication, and problem-solving skills, as students learn to work together to navigate the boat and overcome challenges. Moreover, the sense of adventure and excitement that comes with sailing at Hebe Haven creates lasting memories and instils a love for exploration and outdoor activities in the students, encouraging a well-rounded and active lifestyle.
