Closure of Sports and Recreational Facilities due to COVID-19

Dear Members,

Further to the latest precautionary measures and directions by the Hong Kong Government, we regret to inform you that with immediate effect the following facilities at the HHYC are suspended or closed until further notice.

- 1) The STC (Sail Training Centre)
- 2) All changing rooms (but not the toilet areas)
- 3) Children playground

All organised Regattas, Sail Training and Sailing Courses, and other sailing events are cancelled until further notice.

All previous precautions and measures are unchanged

The restaurant and bar will remain open for the time being. (You will be aware that the Government is looking at legislation to restrict sales of alcohol.)

During this critical time in Hong Kong, you are reminded of the need to behave responsibly and to ensure that you do not infect others. Social distancing is a paramount defence and large gatherings at meals or functions are being discouraged by the authorities.

Please do remember that if you wish to stay at home then all of the Clubs menu is available on a take-out basis.

With best wishes
